WELCOME

To say that I feel blessed in my achievements so far is something I cannot say enough. To my family, my partners, my colleagues, and the people who have supported and surrounded me over the past few decades I would like to say thank you. Thank you for abiding by the values I hold deep in my heart; that of Honesty, Integrity and Transparency which I have worked with all my life coupled with dedication. I would like to give a special thanks to the citizens and nationals of Abu Dhabi and the United Arab Emirates who have supported me through this journey; and who have welcomed the start of my lifelong entrepreneurial career which is still ongoing, and will hopefully continue to grow for generations to come. Last, and by no means least a big thank you to HH Shiekh Tahnoon Bin Saeed Bin Shakhbout AL Nahyian for his guidance, continuous support and mostly for being such a close friend.
