## 1. INTRODUCTION & COMPANY PROFILE

Al Awani Group of Companies has been active in the Animal Fodder & Feed market since 1982 and was founded by Mr. Saif Sultan Saif Al Awani. Our's is an organization that is specialized in the import & trading of a wide range of Animal Fodder & Feed products as mentioned above in the product list.

We are one of the leading importers & whole sale distributors for the above mentioned products which we cater to almost all Equestrian, Camel & Wild Life establishments in the United Arab Emirates and other Gulf Countries.

Our product are sourced by our qualified team of buyers who travel to the farms once every year to the USA, Canada, United Kingdom & other countries from where products come from.

Our Company has many divisions like Feed and Fodders, Medicines and Supplement sales, Equestrian, Contracting, etc.,has a team of skilled professional sales team who will cater the customers to the entire satisfaction. Al Awani Est., the parent company of the Al Awani Group of companies, the head office is based in Abu Dhabi. We have branch offices in Dubai., tack show rooms in Abu Dhabi & Dubai, veterinary clinics in Abu Dhabi, Al Wathba, Al Wafiya, Al Marmum, Al Ain & Dubai. Our main motto is to cater the equestrian field with Innovative products and prompt delivery.

The company has large 10,000 sq, feet air-conditioned & well aerated warehouses for the storage of Timothy Hay & Alfalfa products and a fleet of vehicles for deliveries & unloading anywhere in the Emirates and other Gulf countries.

Our company is also involved in other support activities like sponsorship of important events where the company's products are being supplied thereby proving our commitment to support our valuable clients.

With the kind of foundation we have at present, we could also create one of the largest client base in the region thus making Al Awani one of the largest group of its kind in the Gulf region.
